TEACHER DISCOUNTS

We offer educators 20% off all items purchased for the school or classroom when you set up a Vroman's Educators Account.

CLASSROOM & LIBRARY ORDERS

We'd love to help you with your school orders. We offer competitive discounts, and we'll handle everything.

FUNDRAISING

We offer fundraisers that earn your school 20% of every dollar spent on EVERYTHING (books, gifts, everything in the store!) purchased by your parents, students, and teachers. Fundraisers take place at Vroman's on a day or week of your choosing. We'll happily curate a list and make recommendations, or we can order books based on your own lists: teacher wish lists, required reading lists, and/or librarian-recommended titles.

STORE TOURS

Classes or student groups are welcome to join us for a store tour! A visit to the bookstore is a great way for students interested in writing to learn about the book business or for students in general to learn the ins and outs of running a small business.

AUTHOR VISITS

Vroman's loves hosting authors at schools. We bring authors to schools, soliciting book sales in lieu of honorariums so there's no cost to you. We provide the books along with the materials to handle the sales, flyers to send home to parents, and order forms for advance sales. If your staff sells the books at the events a portion of the proceeds will be donated to your school library or classrooms.

BOOK TALKS

We love talking about books and would be thrilled to attend one of your meetings (assemblies, teachers, PTA, etc.) to present recommendations of our favorite new children's books, or books on parenting and education. We'll bring coffee, cookies, and coupons!

TEACHER NEWSLETTER

Subscribe to our monthly newsletter for teachers and find out about events, our annual teacher's night out, and author visits, and receive periodic coupons and special giveaways just for teachers.

"Working with Vroman's on orders for my school library has been wonderful. I love the personal attention I get, especially with double-checking when there are multiple editions of a book to ensure I get exactly what I want! Vroman's attention to detail and quick turnaround time has been an amazing part of fulfilling book requests from students who are delighted to see exactly what they want on my shelves while maximizing my budget."

TEACHER OF THE YEAR AWARD

Vroman's honors an outstanding teacher each spring with an award and reception. There are prizes for the winner, the teacher's school, and the student who submitted the nomination.

TEACHER'S NIGHT OUT

Once a year we invite teachers to spend the evening at the store with us. Book talks, a DJ, refreshments, and coupons make it a party.
